Registered Practical Nurse Recruitment

Permanent Part-Time Position

The Listowel Clinic Family Health Organization is a progressive, team-based primary care clinic committed to providing high-quality, patient-centered care. We work collaboratively with physicians, nurses, allied health professionals, and administrative staff to support the health and wellness of our patients and community.

We are excited to be working in our newly expanded clinic space, offering a bright, modern, and innovative environment designed to support collaboration, efficiency, and exceptional patient care.

We are currently seeking a Registered Practical Nurse (RPN) who demonstrates a strong commitment to patient care and enjoys working collaboratively in a team setting. This is a permanent part-time position, approximately 21–25 hours per week.

Position Summary

The RPN will work in close collaboration with physicians and allied health care professionals within the Family Health Organization and Family Health Team. As a valued member of our patient-focused team, the RPN will support the delivery of primary care services within the clinic.

Responsibilities include, but are not limited to:

- Supporting physicians and patients during clinic visits
- Assisting in the triage room
- Obtaining patient histories
- Taking vital signs
- Completing diagnostic follow-up
- Supporting prescription renewal processes
- Providing patient care within the RPN scope of practice

The successful candidate will practice in accordance with the standards and guidelines established by the College of Nurses of Ontario.

Following the successful completion of the probationary period, a full benefit package will be implemented.

Qualifications

The successful candidate will have:

- Current registration with the College of Nurses of Ontario
- Ability to work in a rapidly changing environment
- Experience in chronic disease management and/or primary health care
- Willingness to work in a collaborative practice setting with physicians and allied health professionals
- Previous experience working with individual patients and groups of patients
- Demonstrated ability to work independently
- Well-developed organizational, communication, and clinical assessment skills
